

Hello! You might have heard the devastating news; Cincinnati's historical amusement park Coney Island has been purchased by Music Events and Management Inc (MEMI), a subsidiary of the Cincinnati Symphony Orchestra (CSO), with plans to demolish Sunlite Pool, turn it into a parking lot and build a new music venue.

Our grassroots movement is passionately dedicated to the mission of saving Sunlite Pool from demolition. Coney Island sits on 100 acres, however, Sunlite Pool takes up less than 5 acres. There is room for both a new venue AND Sunlite Pool!

We call ourselves the Save Coney Islanders! Please join us!

There you will find multiple ways that you can help under the **ACTION** page. Sign the petition and donate if you can. Be sure to check out our **EVENTS** page. There you will find upcoming (and fun!) fundraising events!

**With YOUR help Sunlite Pool can be saved!  
Please take action before it is too late!  
THANK YOU SO MUCH!**
